## The small one

15 0 1

### Chapter 1 by Nataly Cisneros

Hi i'm emma but in my school they call me the small one. At first i was mad about it but now i just got used to it. So that's pretty much my name now because teachers call me that. So you should be getting used to it if your short and going to middle school. But you will get used to it soon. For the mean while just ignore them calling you names. Now i'm in 6th grade and i got a little bit taller by a little bit i mean 1 inch. It's still something for now. Most of the 5th and 4th graders are taller than me. By most of the 5th and 4th graders i mean every single one of them. I reach most of them to their shoulders or ears. So i guess i was the smallest one in the whole school or even the whole district!!!
